Continuation of Substance of Interview including description of the general nature of what was discussed: The examiner called telephone number (704) 331-7400 (which is the only telephone contact number presently listed in the PALM data base for the application) and spoke with Mr. Dalbert Shefte in an attempt to request an election to an oral restriction requirement being made by the examiner. Mr. Dalbert said he and his law firm have officially withdrawn as attorneys of record pursuant to the provisions of 37 CFR 10.40 filed 02/26/2002 and approved by the PTO on 03/23/2002. Since the file contains no other contact person except the inventor himself, Herr Hans-Peter Call, who lives in Germany, it was agreed that the best course of action would be for the examiner to send out a written restriction requirement and have it mailed to the inventor himself in Germany. If the written restriction is mistakenly mailed to Mr. Dalbert Shefte's law office, which should not happen since his Law Office is no longer listed in PALM as the attorney/agent for this application, Mr. Shefte kindly offered to make an attempt to forward the written restriction to applicant or his new representative (if known).
